Praise for Virtual Team Success

"There's no school for this yet, but when the first is established, Virtual Team Success: A Practical Guide for Working and Leading from a Distance will certainly be the core curriculum."

_Jessica Lipnack and Jeffrey Stamps, CEO and co-founders, NetAge

"Virtual Team Success is a must have for anyone managing geographically-dispersed teams. DeRosa and Lepsinger bring experience and credentials to guide us all through the labyrinth of problems that so often derail virtual teams. As our global businesses become increasingly complex, I can't imagine a more timely or better resource."

_Jay Moldenhauer-Salazar, vice president, talent management, The Gap
