Sinopsis

ISBN: 9780415879569

Now in its sixth edition, *Colonial America* is the most respected and well-known anthology of readings by top scholars in the field of early American history. The collection offers an insightful and critical view of the colonial period, and exposes students to the most significant developments in recent American colonial history scholarship. The new edition features 17 new essays, emphasizing a comparative approach to colonial worlds, with added content on the Atlantic and North American interior. Drawing its material from a greater range of sources than ever before, the text also highlights the themes of race, gender, and family throughout the collection of articles.
