Sinopsis

ISBN: 9789042921344

Because of the array of languages offered, the International Dictionary of Refrigeration comprises a series of volumes composed of:

- the basic English-French volume comprising in a corpus of terms, along with their definitions, followed by an alphabetical index of terms in English and French;
- nine complementary volumes, one for each language, containing the terms only, with each term linked to the equivalent term in English or French:
- Arabic with a French and English index,
- Chinese with a Dutch index,
- German with a German index,
- Italian with an Italian index,
- Japanese with an English index,
- Norwegian with a Norwegian index,
- Russian with a Russian index,
- Spanish with a Spanish index.
