Sinopsis

ISBN: 9780500288399

This fully updated and revised book remains the most comprehensive publication on the market today to catalogue and represent the vast array of ingenious green products available to the everyday consumer. Scrutinizing every aspect of our designed world, "The Eco-Design Handbook" offers the most innovative, ecologically sensitive and consumer friendly products for all areas of the home and office, including environmentally sound materials and building products. Whether you are interested in design or the sustainability of our planet, whether you are building a house or looking for new furniture, whether your office is buying stationery supplies or looking for ergonomic chairs, "The Eco-Design Handbook" is the definitive resource, invaluable for both the lay consumer and the design professional.
