Sinopsis

ISBN: 9780199574827

Provides clear comparative parameters enabling precise comparison of legal systems

Adopts a multi-disciplinary approach that seeks to provide a holistic understanding of issues concerning indigenous peoples from a pre and post-colonial perspective

Provides comparative constitutional analysis that examines issues within national context, relying extensively on domestic debates

Detailed case studies provide in-depth knowledge on the specific states under review, drawing on local writers

Provides researchers with a wealth of easily accessible resources through its extensive references of primary and secondary material
