Sinopsis

ISBN: 9780521757737

The Cambridge IGCSE Physics: Coursebook with CD-ROM has been written and developed to provide full support for the University of Cambridge International Examinations IGCSE Physics syllabus (0625). The book is in full colour and includes a free CD-ROM offering a full range of supporting activities for practical learning, as well as extra test questions and answers to some of the book questions.
