Sinopsis

ISBN: 9780742523005

Emma Goldman has often been read for her colorful life story, her lively if troubled sex life, and her wide-ranging political activism. Few have taken her seriously as a political thinker, even though in her lifetime she was a vigorous public intellectual within a global network of progressive politics. Engaging Goldman as a political thinker allows us to rethink the common dualism between theory and practice, scrutinize stereotypes of anarchism by placing Goldman within a fuller historical context, recognize the remarkable contributions of anarchism in creating public life, and open up contemporary politics to the possibilities of transformative feminism.
