When Trey meets his new legal clients, the stunning Michel and his equally striking partner Gabriel, he can't believe his luck. Rumor has it that the pair can be difficult at times; they have a staggering number of assets to manage and are elusive during the day. Trey settles into his new Parisian home, making friends and meeting romantic interests, but none so fascinating as Michel and Gabriel. There's something familiar about them, about their peculiarities, and Trey can't shake the feeling that he's missing something important. They seem kind enough, if distant at times, and as Trey's life becomes more complicated, they appear to want to protect him. But what if they're the ones putting him in danger?
