Mother and Father Wolf aren't looking for trouble, but when a small man-child toddles by their cave, they decide they can't leave alone in the jungle. They name the boy Mowgli and raise him as one of their own cubs. From the big old brown bear Baloo and the clever black panther Bagheera, Mowgli learns the Law of the jungle and the languages of the animals. But even Baloo and Bagheera can't keep an eye on him all the time!

Rudyard Kipling's classic Mowgli stories have been adapted into this easy-reading chapter book
