The product of Jacqueline Barnitz's more than forty years of studying and teaching, *Twentieth-Century Art of Latin America* surveys the major currents in and artists of Mexico, the Caribbean, and South America (including Brazil). This new edition has been refreshed throughout to include new scholarship on several modern movements, such as abstraction in the River Plate region and the Cuban avant-garde. A new chapter covers art since 1990. In all, 30 percent of the images in this edition are new, and thirty-four additional artists are discussed and illustrated
