This little piggy went to investigate_

After a disappointing Christmas season, the touristy Cotswold town of Winter Parva is upping the stakes with an old-fashioned pig roast, complete with music, merriment, and medieval Morris-dancing. Always one for a good roasting, Agatha Raisin is looking forward to the event, especially after a heated dispute over a traffic ticket has her picturing a certain boorish cop turning on the spit. But when the big night arrives?and the smoke clears?Agatha notices that the slow-roasting "pig" has a tattoo with the name Amy on it. It's the body of the policeman who had Agatha all fired up. And now his ex-wife Amy wants her to find the butcher who did the deed?and solve a murder that's disturbingly well done...
