Critical thinking, critical literacy and storytelling are at the hub of Story Central, a beautiful six-level primary course. With a rich literacy strand students are exposed to a variety of genres through the course Reader. Students are taught to critically examine stories, working together to find meaning. Every chapter unit covers key language and includes a feature story, a grammar corner, CLIL content and a project lesson. Each level has a Student Book, a Reader to develop students' reading skills and an Activity Book with Cambridge English Young Learner test-style practice activities
