Sinopsis

ISBN: 9781847690531

This is the first anthology of translation studies edited by two leading Chinese scholars in the field published in the English speaking world. The essays deal with translation studies in a global/local context and from a Chinese perspective. Such cutting edge theoretic topics as globalisation, postcolonial theory, diaspora writing, polysystem theory, and East-West comparative literature and culture studies are discussed in an in-depth and accessible way
