How to choose cellular service wisely and become an adept cellular user

Keeping in touch via cellular is increasingly vital in today's fast_paced world. The technology now boasts over 50 million subscribers, and that figure is expected to double in the next five years. Whether you are a regular user or an industry professional, The Cellular Connection, Fourth Edition helps you keep current in the field. Written in a nontechnical language by an industry insider, this new edition of a highly successful book (over a quarter million copies sold!) demystifies both service and technology, explains the shift from mobiles to portables, and updates all information on cellular phone equipment. Numerous illustrations, photographs, and a special Cellular Buyer's Checklist accompany this unique guide. The Cellular Connection, Fourth Edition answers all your cellular telephony questions, including:

How the cellular system works

The purposes and advantages of various features

How to choose, install, and operate your phone

How to make sense of your phone bill

What to do when traveling outside your home area

How to tell when you're roaming

What's in the future, including digital cellular and PCS
